sandwich a global history pdf

The exact origin of the hamburger may never be known with any certainty. Most historians believe that it was invented by a cook who placed a Hamburg steak between two slices of bread in a small town in Texas, and others credit the founder of White Castle for developing the "Hamburger Sandwich."

History of the hamburger - Wikipedia

The version history of the Android mobile operating system began with the public release of the Android beta on November 5, 2007. The first commercial version, Android 1.0, was released on September 23, 2008. Android is continually developed by Google and the Open Handset Alliance, and it has seen a number of updates to its base operating system since the initial release.
